CHAMPS!!!

On November 7, the Cross Country team traveled to Penn State for their third consecutive year. The pre-race tension and anticipation was at a climax. The boys, the coaches, and all the fans were anxious for the race to start. Finally the time came, and the meet began. At the conclusion of the race the tension once again mounted. The anxiety that followed was almost unbearable. Waiting for the announcement of the winner was intolerable. Finally the scores began to be announced. When half the teams had reported in, we still had the lowest score; however, our two closest competitors had not yet reported their scores. Soon there was only 1 score left to be recorded. The Lancers were trying to suppress their emotions. The last score was announced. They'd done it again. **STATE CHAMPS!** The crowd was in an uproar. The screams and tears that followed were finally quelled as Mr. Weimer was handed their hard earned trophy.

Dave Cameron (above) and Mark Chahak (below) give an excellent showing for the Lancers. Alan Sagmak (at left) uses his final effort and finishes first for the Lancers.

Our Lancer football team struggled against overwhelming odds and went down in defeat several times. This year Nesbitrock had one of the smallest teams in our history. Coach Bob Mogg, aware of this fact, concentrated mainly on defense. The student body, however, is proud of our team and their excellent sportsmanship.

LANCERS Host

Brothers Alan (above) and Tom (right) Saginak lead the Lancers to victory

Last year's track team and their new track were host not only for the tri-country track meet, but also for the W P I A L Class B State Qualifier. The Lancers' two mile relay team qualified for state thanks to the expert advice and guidance of Coach Bob Bleggi and, of course, the boys' excellent running. Everyone was thankful for the new track, made of a rubber-asphalt compound, which made running easier and increased speed.

Carmi Zona Chosen As

1970 Homecoming Queen

With her escort Rick Wadlinger, Carmi Zona is crowned queen by Senior Class President Dennis Massaro.

Sophomore candidate Patty Wilder.

Could you wish a weather perfect day that October night? No, not except the Homecoming candidates scene. Consider it. The day was perfect and the night was perfect. The parade was great and the football game was perfect. The Homecoming candidates were crowned and the 1970 Homecoming Queen Carmi Zona!

With tears of joy and sadness, Carmi took her last look at the crowd and then took her seat in the bleachers for the rest of the game. The crowd's cheering and excitement throughout the game made this a truly memorable event.

“Atlantis”

Juniors Rick Welker, Bev Bishop, Dan Bouth, Dave Boatman, and Tom Recher perform a skit for Atlantis.

On May sixteenth the school cafeteria was transformed into an authentic underwater scene of the lost continent of Atlantis. The windows of the cafeteria were decorated with fish and the many murals made one think he was really underwater. Couples enjoyed a relaxing and beautiful atmosphere while dancing to the music of the talented Graduates. A humorous skit was also performed by members of the Junior Class. Much too quickly the evening came to an end but the memory of it will still linger on.

Senior Linda Shaw and her date dance to the sounds of The Graduates.

On A Clear Day . . .

Dr. Bruckner (D. Wallace) has an earnest talk with his patient Daisy (E. Mooney)

On May 22 and 23 the musical department presented "On a Clear Day . . ." in the high school auditorium. The play deals with a psychiatrist Mark Bruckner (Don Wallace) and his patient Daisy Gamble (Elaine Mooney) who appears to have extraordinary powers. Under hypnosis it is discovered that Daisy existed before in another life as Melinda Welles (Kay Petermeyer). The climax surprised all, and the fine acting and music made this one of the best musicals presented here

Alas, Babylon is All-School Play

What can a family do to survive when almost all of the world has been destroyed by atom bombs? This is what Randy Bragg and his family had to face after The Day. Randy (Bruno DiGiorgi) was given advance warning when his brother Mark (Dan Piccuta), a SAC officer, came to leave his wife Helen (Bev Bishop) and children, Ben (Hadden Blair), and Peyton (Joan Shaw) with Randy while he returns to the SAC hole in Omaha. After the blast came, Mrs. Henry (Chris Catalano), Randy's housekeeper, Lib McGovern (Dianne Janis), Admiral Hazzard (Dan Booth), and Dr. Dan Gunn (Mike Sugarman) came to stay with Randy. "Alas, Babylon" concerned itself with how these people managed to live after much of the world was destroyed. Under the great direction of Mr. King, the play proved to be one of the biggest successes ever!

Mark Bragg and General Harper (Arden McGaffin) discuss possible strategies in The SAC Hole (above). Admiral Hazzard, Helen, and Dr. Gunn listen intently to reports on the attacks (below).

Ben fishes for the family's food supply after The Day.

Dan Booth Directs "How to Succeed"

Tradition was broken this year when Dan Booth, with the assistance of Mr. Frediani, staged the musical "How to Succeed in Business Without Really Trying" on March 12 and 13. The story centers around Pierrepont Finch (Dan Booth) and his methods of getting ahead in the World Wide Wicket Company by the use of a book entitled **How to Succeed in Business Without Really Trying**. He meets many people who work at the company, such as its boss J.B. Biggley (Jeff Marlin), Rosemary Pilkington (Bev Bishop), who falls in love with Finch, her friend Smitty (Gail Branscome), and Bud Frump (Fred Dial) who hates Finch from the day he meets him. What resulted from these assorted characters was one of the finest and funniest musicals ever staged at Neshannock!

Finch shows his confidence when he sings "I Believe in You."

Smitty and the other secretaries plead Rosemary not to give up in "Cinderella, Darling."

Finch helps save Mr. Biggley's and the other's jobs when he sings "Brotherhood of Man"

A large crowd of students and alumni danced to the music of the "John, Mike and Paul" group and enjoyed the atmosphere and refreshments. Highlighting the evening was the exciting moment when Student Council President Patti Cioffi announced, "The Snow Queen of 1971 is Emmy Daugherty!"

On February 27, the senior class spent "An Evening in Hades." Realistically set amid caves, smoke, and Satan himself, the party proved to be an immediate success. Air Canada provided the entertainment for the party which the seniors will remember as the most unusual class party ever.

Lancer Marching Band

Band members, under the supervision of Mr. Joseph Kaba, began late in August preparing for the 1970 marching season. Although somewhat hampered by the weather and a muddy field this year, the band put on many outstanding halftime performances. The five majorettes also added to halftime enjoyment with their unusual routines and drills.

The Freshman Girls' Ensemble is a newly formed group this year. They practice on their own time and have become a popular group. Their performances at school assemblies and concerts are a most pleasant addition.

Concert Choir—L. Altman, M. Altman, L. Buckley, L. Catterson, L. Dunlevy, L. Finamore, J. Fletcher, K. Gallagher, D. Gettings, L. Green, R. Hadlock, L. Halackna, B. Hamilton, J. Hosler, A. A Cappella Choir, directed by Mr Ekis, is composed of many talented students who audition for membership. This year much of the music centered around modern pieces, such as "Hair." Their annual presentations are the Thanksgiving Concert and Assembly, Christmas Concert and Assembly, and the Spring Concert

Enrique De La Rosa is '70-'71 Exchange Student

Enrique Osvaldo De La Rosa, from Buenos Aires, Argentina, was this year's foreign exchange student at Neshannock. He stayed with Dr. and Mrs. David Hamilton on Forest Road. Enrique became perhaps the most well-known exchange student ever through his appearances at several assemblies in which he sang both songs from his native country and current hit tunes. Many of us got to know him as a very kind, happy person and we're sorry to see him return to Argentina

Voice of the Students

The student government of Neshannock High School tries to put the ideas of the students into action and has thus far been successful. One of the major issues this year was the acceptance of slacks being worn by girls to school

Mu Alpha Theta is an honor society whose purpose is the promotion of scholarship in, and enjoyment and understanding of, mathematics among high school students.

National Honor Society is perhaps one of the most illustrious organizations of the school. It is composed of members who not only have high grade averages, but who are also active in other school activities. N.H.S. also aids students who are not members by conducting its study aid program twice weekly for students having trouble with their school work.

An Endless Searching Begins

To Find Meaning

IN TRIBUTE

Each year one teacher takes on the time consuming and sometimes frightening task of becoming class advisor. The Cartesians have had the luck to claim Mr. Hoover as their own. It is too difficult to try to include everything he has done for us in such a short space. We are grateful, Mr. Hoover, for your patience, time and faith. Thank you for the memories we have made together.

Yesterdays.

A hundred of them filled with a joy
and wonder that a thousand
tomorrows may never bring
Memories.

Lingering deep in the recesses of our
minds.

The events of yesterday take their final
form on that day of ending which
is but a new beginning.

Behind that door which we
will shut on that day there are
for each of us.

A thousand different things which
we will put together to form
a memory, our memory.

Our diploma is such a little thing
to hold the accomplishments of many
years.

Such an important thing to hold
the key to memories.

Thanks

The office is empty, the typewriters are quiet, the darkroom is deserted. The 1971 **Lance** has gone to press. Last May just a plan page and a mass of ideas, volume 12 is now more than 160 pages, 10 signatures, and over 1200 pictures. Months of long hours, late nights, almost missed deadlines, and blown pictures are over. Yet behind as we were, we somehow managed to get this yearbook printed.

So here it is for your judgement, the 1971 **Lance**. Like it or dislike it as you see fit, but remember that Neshannock is 1009 things to 1009 students. We have attempted in these few pages to capture the past year for these students as they **lived, learned, laughed.**

First thanks should go to the business staff. Their diligent work managed the editorial staff to present this book. For the photography, I must thank Dave. He and his staff shot hundreds of pictures to achieve the best quality. I must also thank all of the section editors, who worked to create new and different features in each part of the book. With pushing deadlines and copy layouts, you never voiced a complaint. Finally, special thanks should go to Mr. Thomas, our advisor who kept both the business and the editorial in line. Mr. Evans of Consolidated Graphic Arts, and to especially Mr. Getty and Seavy's Studio for all the great work they did for us.

There's not much left to say except good luck to the 1972 staff. The past year was truly memorable in my life, and I regret to see it go. Goodbye and peace!
